### Education

Ph.D. The University of Arizona, May 2004

M.S. Arizona State University, May 2000

B.Eng. Beijing Univ. of Aeronautics and Astronautics, Beijing, China, July 1996

### Employment

8/2009 – present Professor, National Astronomical Observatories of China

2/2006 – 8/2009 Assistant Project Physicist, Dept. of Physics, Univ. of California at Davis

7/2004 – 1/2006 Postdoctoral Researcher, Dept. of Physics, UC Davis

1/2003 – 8/2003 Research Associate, Dept. of Physics, Univ. of Arizona

8/2000 – 5/2004 Teaching Assistant/Associate (excluding 1/2003 – 8/2003)  
Dept. of Physics & Dept. of Astronomy, Univ. of Arizona

8/1997 – 8/2000 Teaching Assistant, (former) Dept. of Physics and Astronomy, ASU

### Services

Co-chair, Cosmology Working Group, Large Synoptic Survey Telescope

Co-chair, Large-Scale Structure Science Collaboration, LSST

Meetings in preparation: COSMO 2012 (Beijing, 2012), Kavli Institute for Theoretical Physics

China Program on Cosmology and Astroparticle Physics (Beijing, 2012), IAU General Assembly

Special Session on Data Intensive Astronomy (Beijing, 2012)

Meetings organized: 2011 Summer School & Workshop on Weak and Strong Gravitational Lensing (Beijing), Cosmology in Northern California Workshop (Davis, 2007), Parallel Session on Dark Energy Probes, COSMO 2006 (Tahoe City)

Referee for the Astrophysical Journal

### Grants and Awards

2010 National Natural Science Foundation of China Key Grant (\$280k)

2009 Hundred Talents Program, Chinese Academic of Sciences (\$300k)

2007 Academic Federation Innovative Development Award (\$9639), UC Davis

2003 Theoretical Astrophysics Grant (\$1000), Univ. of Arizona

2002 Outstanding Graduate Student, Office of Asian Pacific American Student Affairs, Univ. of Arizona

2000 Outstanding Graduate Teaching Assistant, Dept. of Phys. & Astron., ASU

1998 – 2000 Chair's Summer Research Fellowship, Dept. of Phys. & Astron., ASU
